BNI® Overview

How to Use this Leadership Team Manual

Welcome to the updated version of the BNI Leadership Team Manual. All your Leadership Team Support material in one location! This PDF is searchable; you can also click links in the Table of Contents as well as throughout the document to quickly take you to respective sections.

History of the Organisation

Dr. Ivan Misner was a management consultant when he started the organisation in 1985. He worked with companies that needed assistance in strategic planning and organisational development. As a business consultant, he received most of his business through referrals. However, he was not satisfied with the types of business groups that existed and he put together a networking group that was structured and focused on doing business and had an emphasis on positive reinforcement and support. That organisation became BNI®.

To learn the entire history of BNI® globally and in your country, you can find an electronic copy of *Givers Gain®: The BNI® Story* on BNI® University under Training > Presentations.

BNI® Philosophy & Principles

Philosophy

Success in BNI® means you need to be a positive and supportive Member of an organisation based upon mutual support. This requires commitment to your fellow Members as well as to the philosophy of Givers Gain®. By giving business to others, you will get business in return.

Mission Statement

Our mission is to help Members increase their business through a structured, positive and professional referral program that enables them to develop long-term, meaningful relationships with quality business professionals.

Vision

BNI's Vision statement is Changing the Way the World Does Business®

BNI® Core Values

1. Givers Gain®

Be willing to give first, before you expect to gain. Like the farmer who must plant seeds before crops will grow, you must invest first. This is often difficult to follow if you grow up in a transactional culture; however, giving unconditionally yields the largest bounty.

2. Building Relationships

No one is successful by themselves. Becoming good at developing relationships, creating a network of support and always growing your network is the key to success in business and in life.

3. Lifelong Learning

Your value grows as you develop your knowledge and skills. Our world is in a constant state of change. Unless you are learning, you are falling behind. Create a curriculum based on the person you want to become and follow that curriculum to get yourself there.

4. Traditions + Innovation

Traditions are your foundation while innovations are your opportunities. Always keep your feet firmly planted with your traditions while you reach to the sky to create innovation. This keeps you from losing your place in the world while you continue to strive to create a better life for others and yourself.

5. Positive Attitude

A habit of finding the good in everything that happens to you propels your life beyond setbacks. Those who see the best in situations, others and themselves magnetically attract people, opportunities and wealth.

6. Accountability

The only way to build trust is to make promises and keep them. Rather than expect others to believe and accept your word, demonstrate who you are by accepting leadership roles, following through on your promises and be the one that follows through, even when it appears no one is looking.

7. Recognition

Tell the people around you that you appreciate what they've accomplished for themselves, you and the organisation. Recognition is the fuel that builds organisations and societies. The person who masters the art of recognition attracts a strong network.

BNI® Code of Ethics

When evaluating Members, please apply the following BNI Code of Ethics to the various situations. This is not meant to be a list of specifics but can be applied in principle to almost any conflict or complaint.

Upon acceptance to BNI®, I agree to abide by the following BNI Code of Ethics during the service of my participation in the organisation:

1. I will provide the quality of services at the price I have quoted.
2. I will be truthful with the Members and their referrals.
3. I will build goodwill and trust among Members and their referrals.
4. I will take responsibility for following up on the referrals I receive.
5. I will display a positive and supportive attitude.
6. I will live up to the ethical standards of my profession. *

*Professional standards outlined in a formal code of conduct for any profession supersede the above standards.

General Policies

Membership Committees of each Chapter have final authority related to BNI® Policies. Membership Committees may put a Member on probation or open a Member's classification for failure to comply with the Member Policies, the Code of Ethics or BNI® Core Values.

1. Only one person from each BNI classification can join a Chapter of BNI®. Each Member can only hold one BNI classification in a BNI Chapter.
2. Members should represent their primary professional focus.
3. Members must arrive on time and stay for the entire published meeting time.
4. An individual can only be a Member of one BNI® Chapter. A Member cannot be in any other program that holds Members accountable for passing referrals.
5. A Member is allowed three absences within a continuous six-month period. If a Member cannot attend, they may send a substitute; this will not count as an absence.
6. Members are expected to be engaged in the BNI Chapter by bringing qualified referrals and/or visitors.
7. Visitors may attend Chapter meetings up to two times.
8. Only BNI Members, BNI Directors/Director Consultants can do Feature Presentations during the BNI Meetings.
9. There are no leaves of absence except for medical leaves.
10. Members who wish to change their BNI classification must submit a new membership application for approval.
11. All BNI membership lists are for the purpose of giving referrals only. Before sending any other communication to BNI Members or Director/Director Consultants, the person must give their consent. Consent must be freely given, specific, informed and unambiguous.
12. All new Members must complete the Member Success Program or Member Accelerator before giving their first Feature Presentation.
13. Policies are subject to change. All proposed policy changes need to be reviewed first by the International Board of Advisors.

Non-Discrimination Policy

BNI® Global requires that Chapters review and select persons for membership in all job classifications based on qualifications without regard to race, color, gender, religion, national origin, marital status, sexual orientation, age or disability. BNI® will support no Chapter's action when in violation of this non-discrimination statement.

No-Harassment Policy

BNI® does not tolerate harassment of our Franchisees, regional teams, leadership teams or Members at the hand of another. Any form of harassment on the basis of race, religious creed, color, age, sex, sexual orientation, gender identity, national origin, ancestry, citizenship status, religion, marital status, disability, military service or veteran status, genetic information or any other classification protected by applicable federal, state, or local laws and ordinances is prohibited and will be treated as a disciplinary matter. BNI® is committed to freedom of harassment within our network. In addition, as BNI® is a global organisation, everyone needs to be culturally sensitive so that we can best relate to each other.

BNI Weekly Chapter Meeting Agenda

Wasting time in unproductive meetings has become a common joke in business. To avoid wasting your time, since 1985 every BNI chapter meeting is run by an agenda. Each item on the agenda was an innovation that generates more referrals for members.

The BNI® Meeting Agenda is the core element that makes the BNI® system work for each Member. With the best of intentions there have been chapters who have altered the agenda for their chapter. They felt their innovation was better.

When comparing the number of referrals passed in the least amount of time, no agenda has beaten the agenda below.

Only BNI chapter members get to use this agenda. It has been refined from millions of meetings to work. Use the agenda in an exciting way, to help members feel great about the agenda and you will generate more referrals for your chapter.

0:00 1. ★ Open Networking

Goal: The meeting begins punctually with 15-minutes of open time for Members to build stronger relationships with each other and to meet visitors. Members should follow-up on referrals given and set-up One-to-Ones. Use this time to foster stronger relationships with Members you know and initiate relationships with Members you haven't connected with. Plus, make a point to meet visitors and welcome them to your Chapter.

0:15 2. Welcome Visitors & Introduce Leadership Team

Goal: The President welcomes everyone to the Chapter meeting, invites them to take their seats. The President then welcomes visitors and introduces Chapter leadership.

Your goal today is to experience a meeting, see that we are focused on helping each other grow. At the end of our meeting today [Visitor Host's name] will meet with you briefly to discuss with you the meeting the best way to move forward from there. Sound good?"

"I'd also like to introduce our visiting Director/Director Consultant and Ambassadors today.

In the last 12 months, BNI® Members passed over _____ referrals and this translates into over _____ in business being passed between Members. The BNI® philosophy is Givers Gain®: If I give business to the Members of my Chapter, in return they will want to give business to me."

- Gives Visitors an opportunity to hear Members' positive testimonials about how BNI® is effective

0:18 5. Networking Education

Goal: The Education Coordinator (or a Member assigned in advance by the Education Coordinator) delivers a 3-5-minute presentation on networking. Always look for opportunities to improve one of the most important skills of Master Connectors.

Key Points:

- Can be used to highlight those who have excelled in Member participation (for example, inviting Visitors or passing referrals) by having them share their techniques
- An opportunity for general coaching on Membership Committee concerns delivered in a positive way

0:21 6. ★ Recognition

Goal: During the first meeting of the month the Vice President recognises Members who made remarkable efforts in the previous month. Make a note to congratulate Members on their achievements to become Master Connectors themselves. And study what successful Members do that make them so effective. Then make plans to go beat them next month.

The example below is for the monthly recognition of high performing Members through the Notable Networker Certificates. If there is more opportunity for recognition outside of the Notable Networkers, this time can be used.

Vice President Script: "For the previous month, we'd like to acknowledge our top-performing Members for ...

- Most Chapter Education Units completed
- Most Visitors brought
- Most One-to-Ones conducted
- Most Referrals given

- Most Thank You for Closed Business generated

We encourage you to schedule a One-to-One with these Notable Networkers.”

Vice President Note:

- Consider framing the Notable Networker Certificates, in advance.
- Have recipients come to the front of the room to be recognised.

Key Points:

- Gives praise and appreciation to the Members
- Encourages Members to continually participate in the BNI® program
- Creates an opportunity for additional visibility with social media
- Encourages Members to find additional referrals to thank the Notable Networkers

Note: Monthly recognise Member Anniversaries by presenting year of membership flags and pins at front of room

0:24 7. ★ Welcome New and/or Renewing Members to the Chapter

Goal: A fun celebration of new Members and anniversaries. New and/or renewing Members (who have been approved by the Membership Committee) come to the front of the room for a formal induction into the Chapter. The President explains the contents of the Member Success Kit to newly accepted Members emphasizing the use of the name badge, lapel pin and card holder outside of the Chapter meeting. Chapter Members stand and recite the BNI® Code of Ethics with the new Member. The existing Members agree to support the new Member as they become a contributing part of the team. Aim for making an impact and having fun! Welcome new and renewing Members warmly into the Chapter with a round of applause.

President Script: “I’d like to welcome our new and renewing Members to the BNI® _____ Chapter. Please come to the front of the room so we may formally induct you. Members please stand for the BNI® Code of Ethics. New Members: Please share why you applied for membership in our BNI® Chapter. Renewing Members: Please share why you chose to renew your membership in our BNI® Chapter. New Members, please stay after the meeting today for a New Member Orientation.”

Key Points:

- Celebrates Chapter growth
- Reconfirms commitment to the BNI® Code of Ethics
- Demonstrates a warm welcome to the Chapter
- Asking Members and Visitors why they chose to (re)apply to our BNI® Chapter provides positive feedback for the entire Chapter and good reasons for Visitors to join.

President Note: Be sure to notify new and renewing Members in advance to be prepared to briefly share why they applied for or renewed their BNI® membership.

0:26 8. Welcome Visitors to BNI®

“Visitors welcome and thank you for being here today. We are going to ask you to introduce yourself by saying your name, the name of your company and who invited you”.

After introductions:

“Visitors we are glad you are with us. We are going to ask you to make a decision today regarding applying, and later in the meeting we are going to tell you how you can lock out your competitors from this chapter.”

0:28 9. ★ Weekly Presentations

Goal: This is second most important part of the meeting. Each Member introduces themselves, explain to Members what they do and ask for connections to their best target customers. Your 30- to 60-second Weekly Presentation to educate your referral marketing team on who you are, what you do, how you add value and how to find referrals for you. While listening to each Member, consider whether over the last week you've heard anyone using the language of referrals to signal the opportunity for referrals.

President Script: “Members will now give their Weekly Presentations. This is your opportunity to continue the process of educating your referral marketing team on who you are, what you do, how you add value and how to find referrals for you. Please include your name, business name and specific referral request. Substitutes, During Member introductions, give the Weekly Presentation for the Member you are substituting for. We will be timing our Weekly Presentations today, so keep your eyes on our timekeeper.”

President Note:

- Include BNI® Ambassadors and Directors with the Members, if in attendance.
- When people exceed their time, please stand and say Thank You.
- When the Chapter membership exceeds 60 Members, it is important to expand the meeting time from 90 minutes. Each Member needs to have at least 30 seconds to complete their Weekly Presentations as a Member benefit.

Secretary/Treasurer Note: The timekeeper may consider using the BNI® Timer App or flags for timing Weekly Presentations. For example, the yellow flag means you have 10 seconds, the red flag means time is up.

0:51 10. Vice President's Report

Goal: To keep Members excited about generating referrals, the Vice President provides the “PALMS Report” providing the average number of monthly referrals, average number of monthly visitors and the total referrals to date. Identify where you are on the report and consider how you can pass more referrals and sponsor more Members to practice Giver's Gain and increase the results of your Chapter. This weekly report is derived from the Summary PALMS Report in BNI Connect® and is no more than two minutes in length.

Vice President Script: “I'd like to share the results of our business activities ...

- Average number of monthly referrals
- Average number of monthly visitors
- Total referrals to date
- Total Thank You for Closed Business last month
- Total Thank You for Closed Business to date

To ensure that our results remain up to date, please remember to submit your activities online each week.”

Vice President Note: Please reference your Chapter Goal Boards, if utilised.

0:52 11. Membership Committee Report

Goal: Delivered by the Vice President or a Membership Committee Member, this report updates Members regarding professions still needed in the Chapter, pending applications and policies and matters of interest from the Membership Committee. Fill in gaps within your referral network by inviting visitors and sponsoring new Members.

Vice President Action: Ensure a Membership Committee Member is pre-selected for this report each week.

Key Points:

Mention the professions of the visitors in the room as professions that the Chapter is seeking to fill. This will make the Visitors feel welcome and important.

0:53 12. Introduction of Featured Speaker(s)

Goal: The Secretary/Treasurer announces the speakers for the next six weeks and introduces this meeting's speaker using the Member's Biography Sheet. Pass along any questions you have to upcoming featured speakers. It will help your Member give a better presentation by customising it for the needs of her fellow Chapter Members.

- Remind upcoming speakers to bring a door prize.
- Deliver an engaging, professional introduction for this week's Featured Speaker(s) using the Biography Sheet.

- Schedule your upcoming featured speakers for 8-12 weeks. Please refer to the "Manage Feature Presentations" course on BNI® University for more information.
- Request a title for each speaker's presentation.
- Enter next month's upcoming speakers on BNI Connect®, so Members receive reminder emails.

Key Points:

- By entering your upcoming speakers on BNI Connect®, your fellow Members will be highlighted on your Chapter website.
- Members can be highlighted by fellow Members when inviting Visitors

0:54 13. Speaker(s) Give 6 or 10 Minute Feature Presentation

Goal: One or two Members provide a presentation that gives Members greater clarity as to the target market and business to help generate more referrals. Always listen with a "beginner's mind." Look for new ideas or for things you used to know but have recently forgotten. A 6- or 10-minute detailed business presentation.

President Script: "Now that we know more about _____, let's do our best to bring him/her a referral next week."

1:04 14. ★ Referrals & Testimonials

Goal: All Members stand for this, the most important parts of the meeting. Members report referrals given or provide a testimonial for any Member of the Chapter. Make the decision to set aside the time throughout the week to ensure you always have a referral to report or a testimonial to provide.

President Script: “This is the most important part of the meeting. All Members of this Chapter stand and participate. Keep it brief and positive. Start with ‘I have’ Examples include referrals, visitors or testimonials. All other activity should be recorded in the BNI Connect® Mobile App. Visitors, tell us briefly what impressed you most about the meeting.”

President Notes:

- Since all slips should be entered into the BNI Connect® mobile app, it is important that the energy is main very high during this part of the meeting. It is the most important part of the meeting. Consider the following:
 - Remind Members to be excited. They are helping a Member grow their business.
 - Have each Member state how many referrals and visitors they have before naming the Members. “I have 3 referrals, one for Robin for copywriting, one for Vince for travel and one for Hazel for coaching.”
 - At the end, give a summary of how many referrals and visitors were reported in the meeting. “In summary, we had 3 visitors and passed 68 referrals this week. That is 68+ opportunities to close sales.”

Key Points:

- Members are encouraged to focus their testimonial time on one person as well as submit it in writing.
- Starting with Members allows visitors an opportunity to observe then comment on the power of the Referrals & Testimonials.

1:22 15. Referral Reality Check

Goal: The Vice President chooses two referral slips from two weeks prior and asks the Members who shared them to stand to report the outcome to the Chapter. Consider what makes a quality referral so you can strive to become the best Master Connector you can be.

Definition: Vice President picks two referrals from two weeks prior. Ask the Members who received the referrals to stand and share the status.

Vice President Script: “This is the quality control portion of our meeting. For the Member who received the referral,

- Have you called the referral?
- Was the other person prepared to take your call?
- Was this an opportunity to do business?”

1:24 17. ★ Visitor Recognition

Goal: The President excuses visitors to another room to speak with the Visitor Host for more information to consider applying for membership in the Chapter.

Definition: President acknowledges and thanks the Visitors for attending, directing them toward the Visitor Orientation.

President Script: “Visitors, do you think your business could benefit from referrals from Members of our BNI Chapter?”

Only one person can become a Member from your BNI® Classification. Positions tend to fill up very quickly. While you are securing your position, upon acceptance by the Membership Committee, will also lock out your competitors from the Chapter!

Will the Visitor Host Team please stand? Will our Visitors please stand? Thank you for being here today. The Visitor Host Team will now meet with you to answer any questions and to walk you through the next steps. You may leave your things here, as you may come back and network after the brief orientation is complete. Thanks again for being here this morning!”

President Notes:

- For recognition, ask Visitors and Visitor Host(s) to stand and stay standing.
- Pause to allow them to leave the meeting area (or proceed to Announcements if Visitor Orientation is conducted after meeting).

1:26 16. Secretary/Treasurer’s Report:

Goal: Increase Member renewal rates by inviting expiring Members to renew. At the first meeting of the month, announce Members up for renewal as indicated on the Membership Dues Report in BNI Connect®.

Secretary/Treasurer Script: “The following Members are up for renewal in the next 90 days ... _____, _____, _____. To apply for renewal of your membership, please submit your Renewal Application online in BNI Connect® or see me for details.”

Secretary/Treasurer Note: This statement is repeated at subsequent meetings during the month for any Members whose membership will end prior to the first day of the following month (or are already overdue) and who have not yet submitted their renewal with the appropriate participation fees.

1:28 18. BNI® Announcements, Reminders and Special Reports

Goal: Deliver more value to Members and increase participation at other BNI networking events, Member training programs and other regional activities.

Key Points:

- Use this as an opportunity to promote upcoming events. Have Members share testimonials on their past experience attending these events.

1:29 19. Door Prize Drawing(s) for Members Bringing Visitors or Referrals

Goal: A celebration, a chance to have fun and build relationships among Chapter Members. The Door Prize Drawing is recognition for Members bringing Visitors or

referrals. Each featured speaker brings a door prize. The Vice President conducts the drawings each week.

Vice President Notes:

- Prior to the meeting start, ensure that today's door prizes are present and business appropriate.
- Ensure the Chapter has a backup plan for a door prize.

1:30 20. Close Meeting

Definition: The President or a designated Member gives a positive quote for the week and requests that Members focus on bringing referrals or visitors for the next meeting.

Additionally, the President ends the meeting with:

"We will see you all at next week's meeting, which begins ... right now!"

★*Visitor Orientation is in progress.

Immediately following the meeting, the President or designee conducts a New Member Orientation and informs new Members that they are required to attend the Member Success Program.

Chapter Processes

Growth

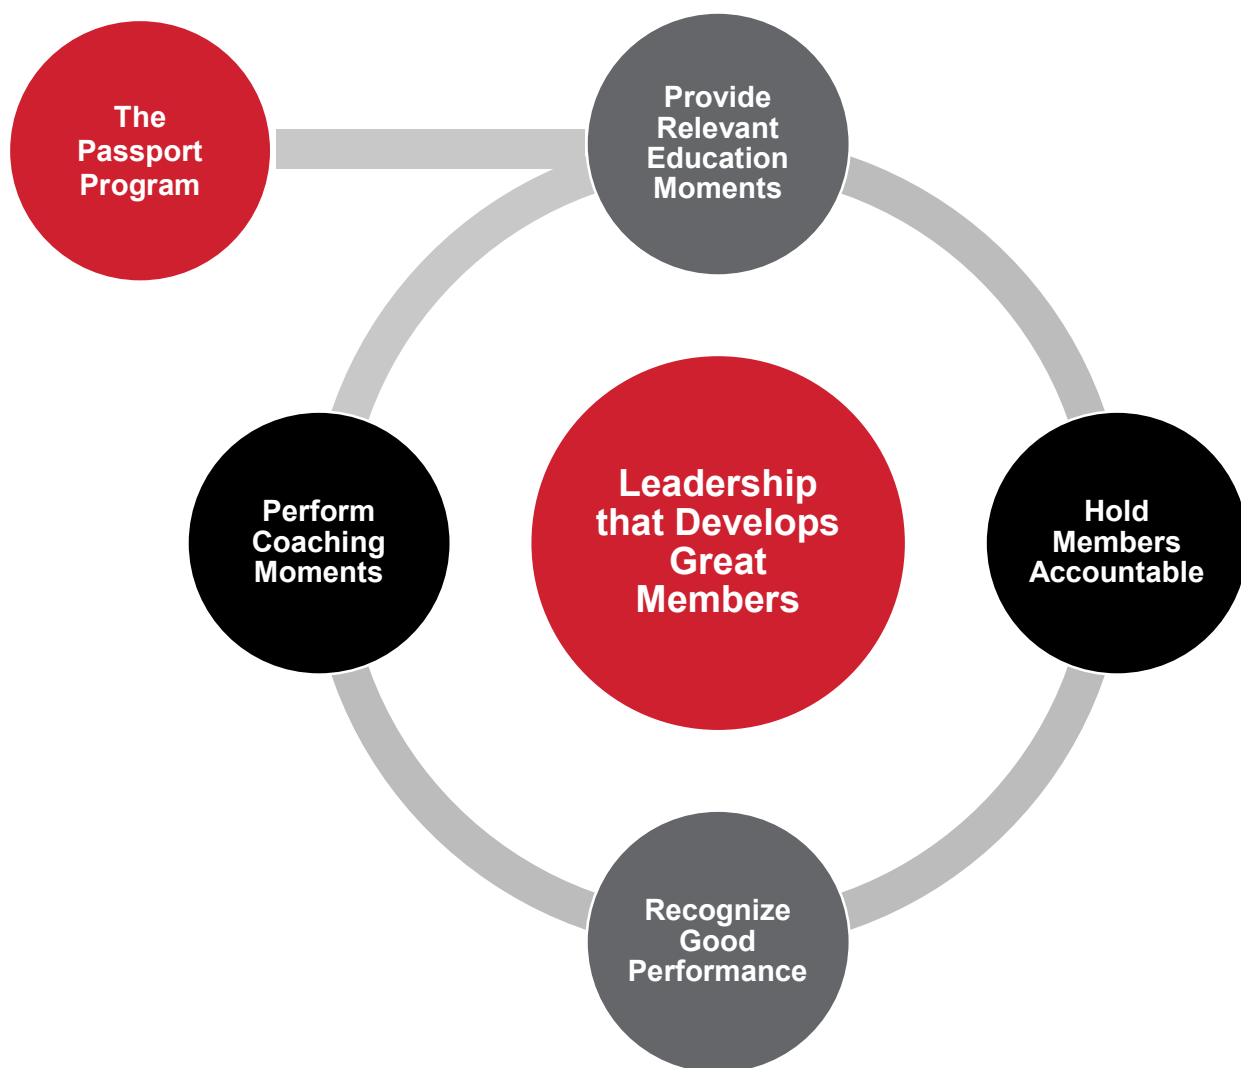

Growth happens when the Chapter is healthy. The whole Leadership Team works to set and review the goals of the Chapter at each Chapter Success Meeting. The Membership Committee Community Builder helps develop the top ten lists. All Leadership Team Members encourage Members to invite and engage visitors with the Membership Committee being the accountability arm ensuring all Members are engaged. Ultimately it is the Visitor Host and follow up efforts from the Regional Team that support overcoming objections and converting visitors into Members. If this process is working, a Chapter will grow without any specific growth mechanisms.

Member Development

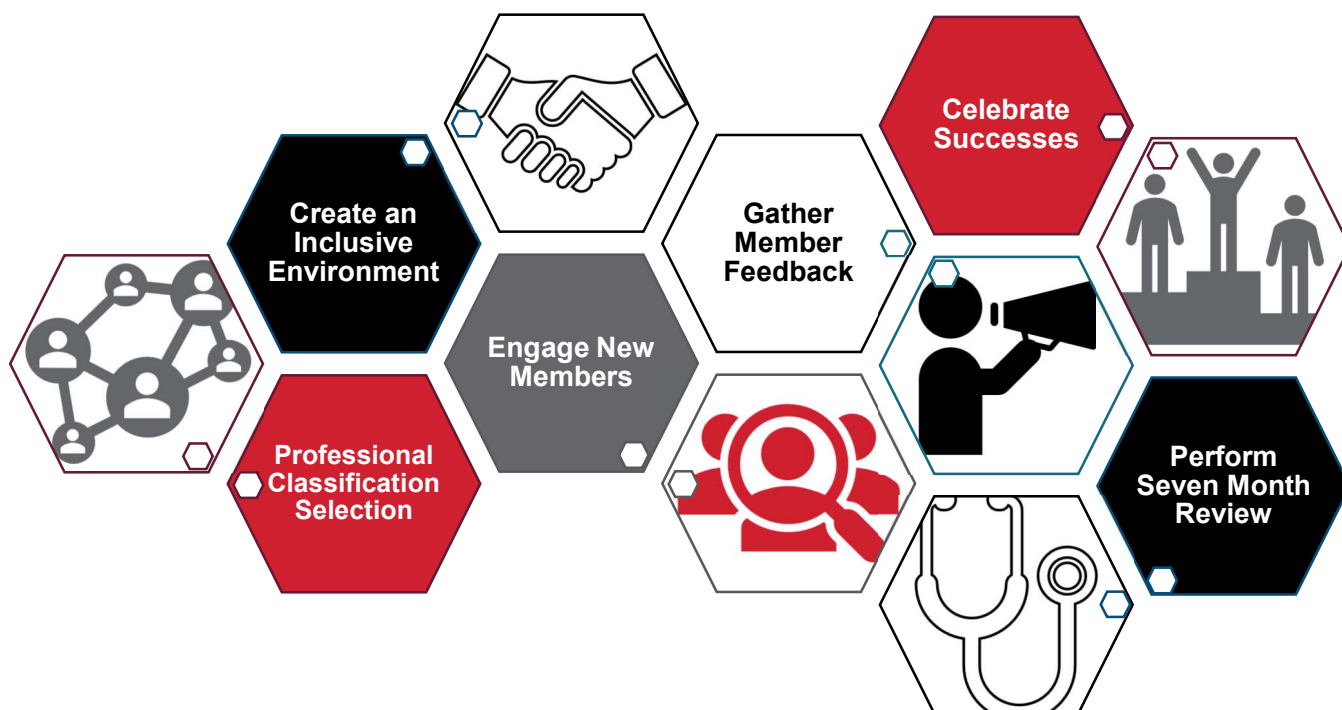

In order to maximise the potential for your success, it is imperative that each Member learn to use the BNI system efficiently and effectively. This begins with the Passport to Success Program that is administered to the new Members by the Mentor Coordinator and trained Member Mentors.

Coordinators provide continuous learning opportunities for all Members. Through strong leadership and productive conversations in the Chapter Success Meeting, the Membership Committee will be able to hold Members accountable, recognise good performance and perform coaching moments as needed.

Retention of Members

In addition to the Member Development processes, the following are key to retention of Members. All Members are responsible for creating an inclusive environment, engaging new Members and celebrating successes. It is part of leadership. Ensuring there is cooperation amongst all Members in the Chapter through the selection of BNI Classifications is a key responsibility of the Quality Assurance Membership Committee Member. Many conflicts can be avoided if this process is thoughtful. Gathering feedback, through the Seven-Month review and other surveys, informs the Leadership Team of adjustment that need to be made to ensure Members are happy and successful. This is driven by the Member Engagement Membership Committee Member and other participants of the Chapter Success Meeting.

Monthly Chapter Success Meeting

The Chapter Success Meeting is the former Leadership Team Meeting, Membership Committee Meeting and Director Consultant Meeting wrapped into one. It should happen the first or second week of the month when the Director Consultant visits the Chapter.

- Enter the names of the people in attendance

Agenda

The President facilitates the first half of the meeting.

1. Review action items from last meeting
 - a. The Vice President reads from the previous month's Chapter Success Meeting Report any action items documented.
 - b. Each person who received an action item from the previous meeting reports on the status.
2. Review visitor attendance
 - a. The Secretary/Treasurer or Visitor Host Coordinator reports the number of visitors in attendance last month.
 - b. The Secretary/Treasurer or Visitor Host Coordinator states, by name and category, the visitors who submitted applications.
 - c. The Secretary/Treasurer or Visitor Host Coordinator states, by name and category, the visitors who could convert to Members with some additional follow-up.

3. Membership Review – This information can be pulled from the Roster Sheet dated the previous month.
 - a. The Vice President or assigned Membership Committee Member reports the number of new Members last month and mentions them by name.
 - b. The Vice President or assigned Membership Committee Member reports the number of dropped Members last month and mentions them by name.
 - c. The Vice President or assigned Membership Committee Member discusses with the attendees the net growth for the previous month. The goal of the Chapter should be net one if the Chapter wants to remain the same size and net two or more if the Chapter wants to be on a growth path.
4. Reports Review – Reports needed include the Chapter Roster Report and Chapter Traffic Lights.
 - a. Review the Chapter Roster Report to determine if the Chapter has a complete Leadership Team. If not, the Leadership Team Members with open roles should fill those roles within the next month.
 - b. Review the Chapter Roster Report to determine how the Chapter performed in the three-month PALMS. It is important to look at this trend compared to the Chapter Traffic Lights to see if there is a change in performance. The Chapter Traffic Lights shows the last six months which makes it hard to see recent trends.
 - c. Review the Chapter Traffic Lights. The Chapter should have the goal of being in the top percentage bracket in all areas if possible. Depending on the size of the Chapter and the goal for inviting visitors, it may be acceptable for the visitor conversion rate to be lower than the maximum point value.
5. Other topics as needed
 - a. Secretary/Treasurer reports on Chapter finances.
 - b. Should the Chapter be looking for another venue? How are venue relations?
 - c. How can concerns be addressed before they become written complaints?
 - d. How did the weekly meeting look to the Director Consultant?
6. Passport to Success
 - a. Discuss each Member by name and his/her progress through the program generally.
 - b. Discuss in detail new Members who are not on track. Brainstorm ideas to help him/her get back on track.

At this point the President, Secretary/Treasurer and Visitors Host may leave the meeting.

The Vice President facilitates the rest of the meeting.

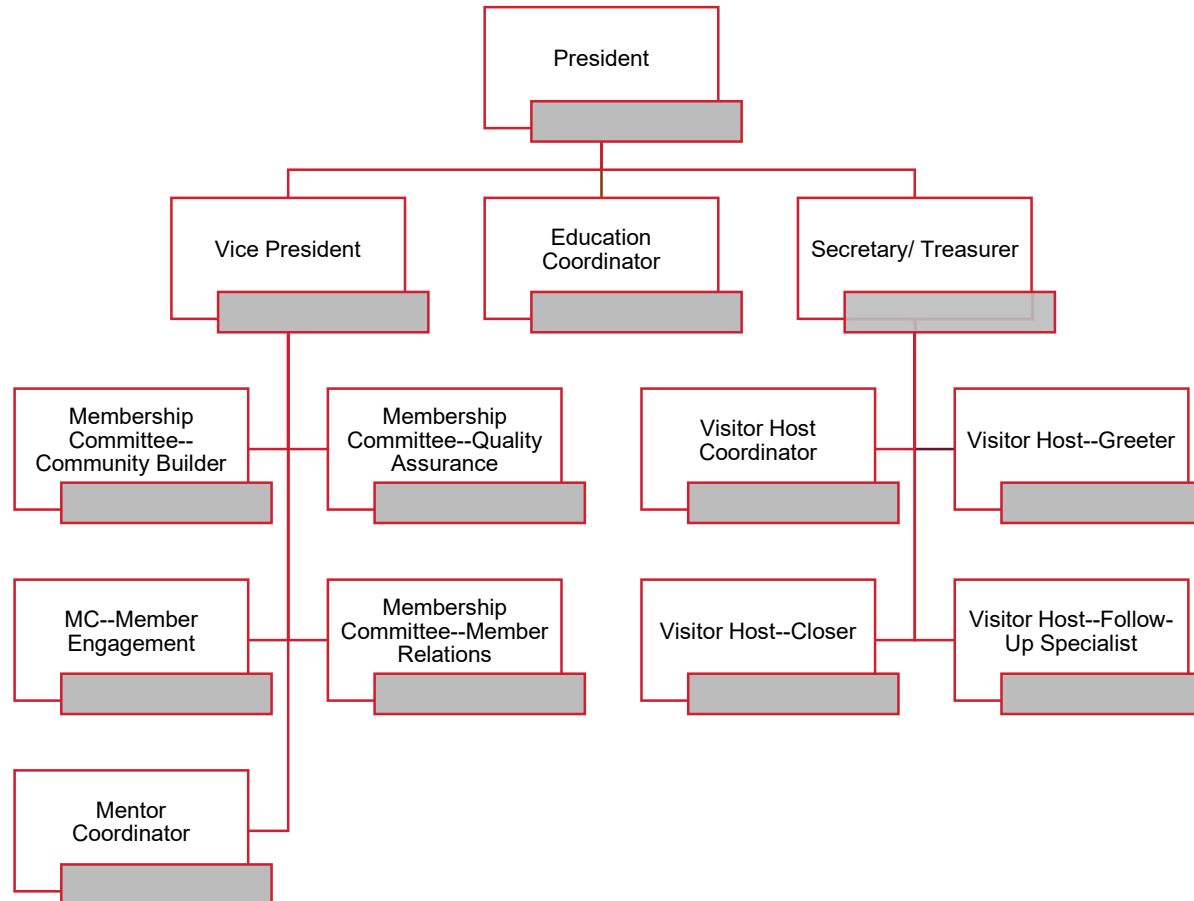

7. Member Traffic Lights based on the Power of One
 - a. Look at the distribution of green, yellow, red and gray. The goal is to have as many people as possible in the green. What can be done to move people from yellow to green, red to yellow, and gray to red? How can the Education Moments be used to improve Member performance?

- b. For the Members in the bottom three positions. What can be done to help them improve performance? Note: There is a misconception that new Members can be in the gray without alarm. If the new Members are actively involved in the Passport to Success Program, they will be in the yellow (completing Member Success Program for CEUs, completing one to two One-to-Ones per week and attending meetings regularly achieves 60 points).
- c. Discuss how the Mentor Coordinator can help support getting these Members more engaged.

At this point the Mentor Coordinator may leave the meeting. Only the Vice President, Membership Committee and Director Consultant should be in attendance for the remainder of the meeting.

- 8. Seven-Month Review – This information can be found on the Membership Dues Report.
 - a. Who is up for renewal in five months?
 - b. Who is the best person on the Membership Committee to have a one-to-one conversation with the Member? This person needs to have a relationship but not be so close that the conversation can't be constructive.
 - c. Complete the top portion of the Seven-Month Review for each person up for renewal in five months.
- 9. Approving Renewals – This information can be found on the Membership Dues Report.
 - a. Who is up for renewal in the next 60 days?
 - b. If the person is going to be renewed, it can be communicated immediately.
 - c. If a person is not going to be renewed, it must not be a surprise. It is important the Seven-Month Review reflected that the Member had many development opportunities. If it would be a surprise to the person, a coaching conversation must be had in the next 30 days to explain the situation. The final decision on non-renewal should happen on or around the Member's renewal date.
 - d. It is important that the BNI Regional Office knows the person is not going to be renewed so that administrative processes like reminders can be stopped. Please communicate non-renewals to the BNI Regional Office in the way they have been prescribed.
- 10. Progress of Written Complaints (if applicable).
 - a. All written complaints should be handled upon receipt. This is the time for the Membership Committee to review status and determine next steps to urgently complete review processes.
 - b. Has the Secretary/Treasurer had any issues with people paying Chapter Dues that need to be addressed?
- 11. Recommendations for the Chapter President – Add any action items for the President here. Ensure they are communicated to him/her immediately after the meeting.
- 12. Recommendations for the Director Consultant – Add any action items for the Director Consultant here. Ensure they are communicated to him/her immediately after the meeting.

Weekly Follow-Up & Reminder Email Communication

Weekly follow-up and reminder emails are essential to ongoing communication between Chapter Members about Chapter happenings. Here is an example of an outline to develop your weekly email reminders:

- Weekly Presentation Topic
- Weekly Stats / VP Report
- Last week we passed ____ referrals, had ____ One-to-Ones and reported \$_____ in business
- Upcoming Speakers
- Purpose & Overview
- Networking Education
- Feature Presentation
- Closing Quote
- Welcome New & Renewing Members

- Upcoming Events

Chapter Meeting Venue

- Is the location easy to find with ample signage?
- Is there adequate and easy to find parking?
- Is the room available at least 30 minutes prior and 30 minutes after meeting time for set up, networking and clean up?
- Who is responsible for opening the doors?
- Can the room be set in a horseshoe, square or boardroom seating arrangement?
- Is there at least 10+ extra chairs beyond those used by your Members and visitors?
- Does the venue portray a high-quality, professional business image?

Follow the Venue Selection Process and use the Venue Selection Tool in BNI® University to assess various venues in your area.

All venue changes are subject to the approval of the Regional or Area Director PRIOR to making a change. Please contact your Chapter Director as soon as a venue change becomes necessary. The Director's role is to ensure all Chapters meet in high-quality venues that display a high level of professionalism.

Do you have a backup plan? What happens when the venue calls you the night before your Chapter meeting and says that your room won't be available in the morning? Prepare for the unexpected by having a backup venue in mind that may work at the last minute. Develop a communication system that will ensure all Members get the message at the last minute. Put up a sign at your normal venue to indicate the last-minute venue change. Don't let someone else's actions interfere with your Chapter's opportunity to do business!

Meeting Themes

Historically, Meeting Stimulants were recommendations for making Weekly Presentations fun and interesting. The Chapters who have grown the membership and closed business significantly for their Chapter and Members took this idea a step forward. The Chapter Leadership Team chooses a theme for one week, once a month or less. The theme may be:

- Business Owners/CEOs
- Homeowners
- Substitutes
- Getting Healthy
- Open Business Days (formerly known as Visitor Days)
- Bring Your Best Client Day
- Stack Days
- Contact Sphere Days, etc.

Once the theme is selected in advance, Members should invite people who would be interested in the theme. Members should contour their Weekly Presentations.

Taking Attendance

When taking attendance, we use the PALMS system: Present, Absent, Late, Medical and Substitute. It is important that the PALMS Report is completed in BNI Connect® within two business days after every Chapter meeting. Printing out a blank PALMS Report before the meeting makes it easy to record this information at the meeting. Not entering PALMS in a timely manner can negatively affect your Chapter Traffic Lights Report and Power of One Report.

Membership Committee

Each Chapter must establish a Membership Committee. There should always be an odd number of members on this committee, including the Vice President. The Membership Committee is a volunteer service commitment that coincides with the Leadership Team's term. The Membership Committee is chaired by the Vice President, who is a voting member of the committee.

Membership Committee Specialists

Delegating the workload for Vice Presidents helps Membership Committee Members take more ownership and responsibility for the best interest of the entire Chapter. Please remember that while delegating these important roles/tasks to a Membership Committee Member, the Vice President of each Chapter is still responsible for making sure each task is completed in a timely manner. Assign one Membership Committee to each of these four roles:

- Community Building Specialist
- Quality Assurance Specialist
- Member Engagement Specialist
- Member Relations Specialist

Membership Committee Report

This will be a brief weekly report in the [BNI Weekly Chapter Meeting Agenda](#) regarding membership related Chapter matters.. You may wish to report on any of the following items. Delegate a Membership Committee Member to deliver the report, and the Vice President approves the report in advance:

- Notify the Chapter when an individual is no longer a Member and when the category is opened. For example: "We currently have an opening for a financial planner."
- Remind Members of the value or importance of one of the membership policies or guidelines.
- Explain the roles of the Membership Committee and who is responsible for each. Ensure new Members are briefed on the Membership Committee's responsibilities.
- Allow a Mentor Program Report (contact your Chapter's Mentor Coordinator for more information).
- Give tips about how to find quality referrals or bring visitors. Explain that one referral or guest equals one unit of participation; every visitor represents a potential new customer for our Members!
- Provide direction or instruction on a special BNI program.

This information, although brief, is very important to a well-functioning Chapter. Successful Chapters exhibit keen and consistent administration. BNI Members appreciate being reminded and informed about how the Chapter operations are being administered.

Weekly Membership Committee Check-Ins

- 10- to 15-minute check-in at the end of each Chapter meeting
- Meetings are open only to the Vice President, Membership Committee members and the Director/Director Consultant
- Review new Membership Applications and assign responsibilities to process applications
- Discuss immediate Chapter issues that need to be addressed

Quality Assurance Specialist

The Membership Committee Quality Assurance Specialist ensures all new Members are high-quality business professionals before they are accepted into the Chapter and have a strategic fit (BNI Classification) within the Chapter.

Checklist of Responsibilities

To be on the Leadership Team, the Membership Committee Quality Assurance Specialist must agree to:

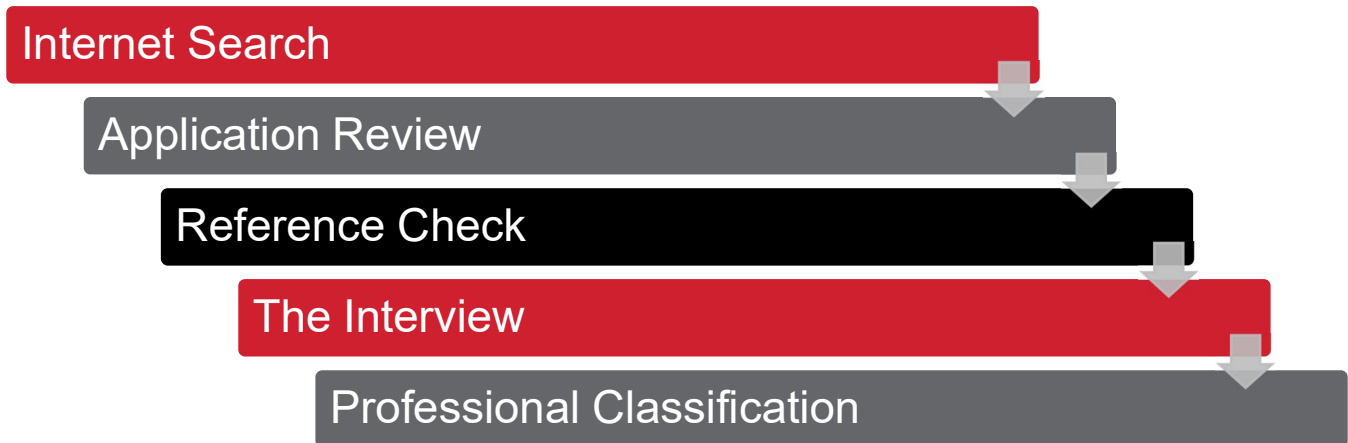

- ☐ Fulfill the responsibilities listed below;
- ☐ Sign the BNI Support Leadership Team Non-Disclosure, Non-Solicitation and Non-Compete Agreement;
- ☐ Complete Leadership Team Training (eLearning and Instructor Led Training).

AS NEEDED

- ☐ Ensure all new Members are high-quality business professionals and have a strategic fit (BNI Classification) within the Chapter before being accepted for membership.
- ☐ Identifies the level of due diligence needed for each new application.
- ☐ Identifies and tracks Membership Committee assignments for new applications
- ☐ Keeps Vice President apprised of process, returns applications and other paperwork to Vice President when a decision is made.

New Membership Application Review Process

Upon receiving an application, take the following steps to ensure the applicant is a high-quality business professional before accepting him/her as a Member.

Internet Search

To maintain a high standard of applicants that are accepted into a BNI Chapter, please use the provided a list of resources for the Membership Committee to conduct additional research for certain professions, as well as general resources for all businesses.

General Resources

- Member's Business Website
 - Is it professional?
 - Is it accurate and up to date?
 - Is it a good representation of their business?
- Google, www.google.com
 - What kudos, awards or achievements have they accomplished?
 - What other organisations are they involved in?
 - If negative information is found, please confirm with photo identification.
- Social Media Networks
 - What image is the applicant portraying on various social media networks?
 - Facebook, www.facebook.com
 - LinkedIn, www.linkedin.com
 - Twitter, www.twitter.com
- Chambers of Commerce
- Licenses, Permits & Registrations

Notes

- All information and research is done at the Membership Committee's discretion.
- If you find negative information regarding an applicant, it is imperative that you verify the relevancy with photo identification.
- Any fees incurred as a course of your research is the responsibility of the Chapter.
- Ultimately you will use your own judgment on what research you believe to be true and reasonable.

Application Review

The application can give the Membership Committee insight into the likelihood of success in the BNI Chapter for the applicant. Consider the following when reviewing the application:

1. **APPLICANT NAME & CONTACT INFO:** Their entire name, business name and address on their application is how their name will appear on their BNI Connect® Member Profile and respective Chapter reports.
 - Website, Email, Business and Mobile: At first, no Member contact information is available on the regional website; Members will need to access their profile to indicate which information will be viewable. For the Leadership Team and BNI Regional Team to communicate with the Member, all boxes must be completed.
2. **PART III/EXPERIENCE & CREDENTIALS:** Is the applicant's experience and education relevant to the category in which they are applying?
 - **Length of time in BNI Classification:** Length of time in their industry is a key consideration. Are they well-established? Or are they green and newer to their business/industry? How well will they be able to bring referrals to the Chapter? How well will current Members be able to refer to them just based on how "new or seasoned" they are in their business?
 - **Is the BNI Classification under which you are applying for membership your primary professional focus?** Reference Member Policy #2 ... "Members must represent their primary professional focus." Is the applicant able and willing to be available for business during normal operating business hours? Are they available to conduct One-to-Ones in order to build relationships that allow for the development of referrals? How committed are they to their business?
 - **Does the BNI Classification in which he/she is applying appear to overlap with any other Members?** It is the Membership Committee's responsibility to protect existing Member's BNI Classifications first. If an applicant in any way might overlap with an existing Member, it is your responsibility to investigate it by talking with the existing Member even if the Member does not file a concern.

3. **PART IV/STANDARDS & EXPECTATIONS:** This section allows us to set Member expectations up front! The more an applicant knows now, the more successful Member they will become!
- **Are you able and willing to make the commitment to arrive at our weekly meetings on time and stay throughout the 90 minutes, attend the Member Success Program training and do you agree to abide by BNI Member Policies, Guidelines & Code of Ethics?** This question helps to set the expectation of the new Member before they apply. By discussing these commitments to the applicant, they fully understand what they are getting into prior to being accepted as a Member.
 - **Are you willing and able to send a substitute if you are unable to attend a meeting?** This question creates conversation around the attendance policy and substitution guidelines. If they don't have someone in their company, help them to identify other potential candidates who would make great substitutes should the need arise, such as a client, co-worker or business colleague.
 - **Are you willing and able to bring qualified referrals and/or visitors to this Chapter?** This question allows the applicant to share what they intend to GIVE to the Chapter. It shows that they are willing to network and build relationships with others in order to expand their referral network. The answer to this question may demonstrate that they understand the Givers Gain® philosophy.
 - **Have you ever been a Member of a BNI Chapter? If yes, please list ...** Please remember that just because someone is a previous Member of BNI® does not mean that they are a perfect fit for your Chapter. Each new applicant to YOUR Chapter must complete a new application. If they indicate that they are a previous Member, first, find out if it is an immediate transfer. If yes, please reference the Transferring Members section and the Request to Transfer Form. With both immediate transfers and previous Member due diligence is still warranted.
 - **Do you belong to other networking organisations? If yes, please list ...** Do they belong to other networking organisations that are either complementary to or in competition with BNI®? Complementary organisations include soft contact networks such as Chambers of Commerce or civic organisations such as Rotary, Kiwanis, Lions or Toastmasters where the purpose is public service and education. Organisations that have only one person per professional specialty and its purpose is to pass business are considered to dilute Members' referral efforts, and therefore would not be acceptable. Reference Member Policy #4 ... "An individual can only be a Member of one BNI Chapter. A Member cannot be in any other program that holds Members accountable to pass referrals."
 - **Have you ever been convicted of an act of dishonesty or any other offence?** If they select yes, this DOES NOT preclude them from membership. As a Visitor Host reviewing this application for completeness, your only concern is whether a box is checked. As the Membership Committee member reviewing this application, the only question that can be asked is: "Would knowledge of this conviction prohibit others from referring you?" With this information, the Membership Committee can either research further or continue with processing the application.

4. **POSITION APPLYING FOR:** Using the BNI Classification List, the applicant should select which Division and specific BNI Classification they would like to hold in the Chapter. As the Membership Committee member, this section needs to be reviewed very carefully. If there are any potential overlaps, resolve prior to acceptance. If the applicant has a wide range of business activities, ensure that their application states clearly which single category they are applying to represent in the Chapter using the BNI Classification List. If the applicant's category has been revised to reflect BNI guidelines, correct this on the application and have the applicant initial to designate approval.
5. **SPONSOR'S NAME:** Enter the name of the BNI Member who invited the applicant to this Chapter.
6. **PART VI/BUSINESS REFERENCES:** Look for two clients, customers, patients or other people who can vouch for their professionalism and how they conduct themselves. As long as the applicant has permission to use their name and contact information as a reference, then the Membership Committee is permitted to call them. The applicant's signature on the bottom front of the application gives permission to contact the references listed.

Reference Check Questions

To assure the quality of new Members to our organisation, the Membership Committee must check two business references that can vouch for the individual's business excellence.

1. How long have you known the applicant in a business capacity?
2. What is your business relationship with the applicant?
3. Overall, describe HOW the applicant conducts business in regard to his/her products or services offered?
4. Are you aware of any grievances by anyone regarding the products/services offered by the applicant?
5. Does the applicant keep and follow-up on commitments?
6. Would hire/work with the applicant again? Why?
7. Do you have anything to add on behalf of the applicant?

The Interview

Let's help to set the expectations of membership when interviewing an applicant. Keep in mind that this is just a place to start the conversation. You can add any questions you feel are pertinent or applicable to your Chapter's needs.

1. Why did you decide to apply to BNI®, specifically our Chapter?
2. What would you say are the strengths you bring to BNI® and our Chapter?
3. What do you expect to receive from BNI® and from our Chapter?
4. Will the [7:00 am] start time pose any problems with your schedule? Are you able to stay for the full 90 minutes each week?

5. BNI® has a clearly defined attendance policy. I'd like to review it with you now, so you have a clear understanding of the policy. You are allowed up to three absences within a rolling six-month period. If you have four absences during that time, you will be asked to leave the Chapter. If you have a substitute, you are not considered absent. A substitute does not have to be from your office/business. They can be anyone who is willing to attend the meeting and speak on your behalf at the meeting. Do you have questions about this attendance policy? Are you willing and able to commit to this?
6. If you cannot attend a meeting, will you be able to have a substitute present?
7. Annually, our Chapter holds a special event that focuses on increasing referrals for our Members. Are you willing to send invitations to people you believe would benefit from an increase in referrals? [Mandatory for new forming Chapters and Chapters that have an upcoming Visitors' Day.]
8. In reviewing your application, we want to make sure we understand what niche you will be representing in our Chapter. What specific products and services do you offer in your industry? Is there an area in which you specialise?
9. Is a license required to practice your profession in this state (or any neighboring states)? If so, what is your license number? Are you also bonded and insured, if required for your profession?
10. What do you like most about what you do regarding your profession?
11. Have you ever applied to another BNI Chapter? What was your experience?
12. Do you belong to other networking organisations? What was your experience? Do you understand BNI's Policy of not belonging to other hard contact networks?
13. All new Members are required to attend a Member Success Program within the first 60 days of membership. The next session will be on _____. Will you be able to attend?
14. All Members participate in our Passport to Success Mentor Program. Are you willing to dedicate time outside the weekly meeting to conduct One-to-Ones with your fellow Members as part of this business building activity?
15. In the next six to 12 months you will be asked to be in a leadership role. Are you willing to consider which role may be appropriate for you and step into a leadership role when the time comes?
16. Are you aware that this Chapter has additional dues to cover our venue/meal/coffee? The amount is \$_____ per week/month/quarter and it is payable to the Secretary/Treasurer upon acceptance of your Membership Application.
17. You may have noticed on your application that upon your acceptance to BNI®, fees are non-refundable without exception. Your application has not yet been accepted. Is there any part of the application review process that has made you become aware that this organisation may not be a good fit for you or your business?
18. What reservations do you have about membership in BNI®?
19. Do you have any questions for me about BNI® or our Chapter?

"Please let your references know that we will be calling them. This helps to expedite the application process. Thank you for your time today. The Membership Committee will let you know the status of your application before the next meeting."

Reasons to Decline an Application

The following are several suggested guidelines for declining an application. This list is not meant to be either exhaustive or binding.

1. There is an unacceptable overlap in BNI Classification between a prospective Member and a current Member (as determined by the Membership Committee).
2. The profession of the prospective Member listed on the application is not his/her primary focus.
3. One or more objections have been filed by Members regarding the prospective Member's type of service, quality of product or service, business ethics or professionalism.
4. The prospective Member does not possess the proper credentials for his/her profession (where applicable), i.e., required licensing or other certification.
5. The prospective Member is also a Member of another competing organisation that has only one person per profession and its primary goal is to pass referrals.
6. The prospective Member provided incomplete or inaccurate information on the membership application, i.e., no references or failed to answer the questions listed.
7. The prospective Member is unable to service and/or provide referrals in the community where the Chapter is located.
8. Poor attitude; wrong dynamics for the Chapter.

Transferring Members

The strength of BNI® is in the relationships that we build. Those relationships take time and commitment to one another to build and maintain. When someone joins a Chapter, they make a commitment to the Chapter and its Members. That commitment should be taken very seriously both by the Membership Committee and the applicant.

On occasion that commitment changes and a person may need or want to transfer to a different Chapter. Reasons for transferring include relocating to another city; territory has been reassigned; changing jobs to a new classification that is filled in the current Chapter. The transfer process is a 2- to 3-week transfer process.

A Member requesting a transfer from their current Chapter to a new Chapter will be required to submit a completed new Member application to the Membership Committee of the new Chapter. In addition, if the Member has less than 12 months of paid membership credit, they must submit a renewal payment. Or, if the Member has more than 12 months of paid membership credit, no additional investment is required. Upon acceptance into the new Chapter, the credit from their previous Chapter will be added to their membership in the new Chapter as well as the renewal time, if applicable.

If a Member of another Chapter approaches your Chapter about transferring, please contact your Director/Director Consultant so that he/she can walk you through the process. The Member can get started with the transfer process.

Member Engagement Specialist

The Membership Committee Member Engagement Specialist focuses on creating a game plan for Members who need additional support to be successful and ensures all renewals are approved/declined in a timely manner.

Checklist of Responsibilities

To be on the Leadership Team, the Membership Committee Member Engagement Specialist must agree to:

- ☐ Fulfill the responsibilities listed below;
- ☐ Sign the BNI Support Leadership Team Non-Disclosure, Non-Solicitation and Non-Compete Agreement;
- ☐ Complete Leadership Team Training (eLearning and Instructor Led Training).

ONGOING

- ☐ Keeps track of upcoming Seven-Month Reviews
- ☐ Assigns Seven-Month Review to a Membership Committee member
- ☐ Supports Members in the online renewal process in BNI Connect®
- ☐ Review the Member Traffic Lights based on the Power of One to identify the three Members who need support and coaching
- ☐ Perform Coaching Moments as needed

The Seven-Month Check-In

The Goal of the Seven-Month Check-In is to:

- Clarity for the Member about his/her development in the Chapter from a personal point of view and from the point of view of the Membership Committee
- Clarity for the Member about his/her strengths and development potential
- Providing the possibility of corrective changes before the membership renewal date
- Terms and conditions for membership renewal are clarified
- Increased renewal rate

The Seven-Month Check-In Process includes:

1. Discussion of the Members that are due to renew in the following six months in the monthly Chapter Success Meeting:
 - Membership Committee determines strengths and development potential based on the PALMS Report, Member Training Report and observable attitude and performance.
 - If needed, the Membership Committee appoints a mentor to support the needed development of the Member.
 - The comments of the Membership Committee are the basis for discussion and will be noted in the Seven-Month Check-in Form.
 - A member of the Membership Committee who has good rapport with the Member is going to conduct the feedback session.

2. Setting a date for the One-to-One with the Member – The Membership Committee member forwards the Member Traffic Lights based on the Power of One to the Member before the conversation.
3. Questions during the conversation
 - How are you feeling in the Chapter?
 - How would you evaluate your benefits from your BNI membership?
 - To what extent have you reached your goals concerning GIVING and RECEIVING in the last six months?
 - Discussion of the comments of the Membership Committee (see above)! Possible suggestion of a mentor.
 - What suggestions do you have?
 - What other topics you would like to discuss?
 - Final question: If you had to decide today whether you will apply for your membership to be renewed, what is the likelihood (in %) that you will renew?
4. At the Chapter Success Meeting, the Membership Committee member gives a brief report about the results of the discussion for the other Members. From this discussion, the following can be discussed:
 - Creating a game plan to incorporate feedback and other action items from the feedback
 - Decide if the Member should be put on probation for performance for the remaining time of his/her membership
 - Decide if the Member should be declined upon the next renewal

Perform Coaching Moments

BNI® has adopted the GROW coaching model to help Members develop and improve. GROW stands for **G**oal, **R**eality, **O**ptions and **W**ay Forward. Below are some questions that can be used as you coach a Member.

GOAL – What are the goals set forth by the Chapter and why.

- What does the Chapter need from the Member?
- Why is change necessary by the Member to meet the goals that have been set?
- What does the Member want?
- What will accomplishing the goals get the Member?
- What does success look like?

REALITY – How is the Member performing today?

- How are things going right now?
- What is wrong with performance/goal attainment today?
- How do you feel?
- What barriers do you face in meeting goals?
- Is the Member resistant to change?

OPTIONS – What plan can be set in place going forward for the Member to succeed and meet the goals of the Chapter?

- What are the options? Mentoring? Training?
- What are some ways you can approach the issue and improve?
- What are some of the advantages and disadvantages of each option?
- What will happen if change doesn't happen?

WAY FORWARD – How will the Member proceed on their path to improving?

- What option is your best choice?
- When will you get started? What is the first step of action?
- What else do you need to do?
- On a scale of 1-10 (10 being high), how committed are you to this plan?
- What would it take you to be a ten?
- What accountability structures would help you?
- How will we celebrate the success?

Community Building Specialist

The Membership Committee Community Building Specialist maintains and communicates growth initiatives including the top 10 list of most wanted BNI Classifications and calling any Members who need support around attendance.

Checklist of Responsibilities

To be on the Leadership Team, the Membership Committee Community Building Specialist must agree to:

- ☐ Fulfill the responsibilities listed below;
- ☐ Sign the BNI Support Leadership Team Non-Disclosure, Non-Solicitation and Non-Compete Agreement;
- ☐ Complete Leadership Team Training (eLearning and Instructor Led Training).

As Needed

- ☐ Identify and communicate the top ten BNI Classifications wanted in the Chapter
- ☐ Consistently educates Members on importance of attendance policy to the success of the Chapter.
- ☐ Uphold the attendance policy by making phone calls to Members who were absent each week.
- ☐ Get approval from Vice President and Director/Director Consultant prior to mailing the Open Classification Letter and making the fourth absence phone call – timing is very important!

Identify & Communicate the Top Ten BNI Classifications

The most successful Members are typically in the most balanced Chapters. Did you know that if we could build Chapters with eight Members in each of the six major Contact Spheres, Chapters would be 48 thriving Members? Fifty to sixty percent of your referrals come from people in your Contact Sphere.

The best way to identify what classifications are needed in the Chapter, examine the existing Members by contact sphere. To do this easily and effectively, follow the steps outlined below.

1. Using the resource, “Identifying Top 10 Classifications by Contact Sphere,” found in the Identify & Communicate the Top 10 Classifications lesson or found in the Content section of BNI University, fill in the names of the Members holding that classification/specialty*. This shows how many Members exist in each Contact Sphere to understand your starting point.
*Classifications/specialties were developed using the number of Members in each category globally. If the classifications need to be edited for your Chapter, you may take the PowerPoint version from BNI University of the document and edit the BNI Classifications.
2. Start creating the top ten list by looking at Contact Spheres that have one or two Members in them. It is important to start supporting your existing Members before you start building a Contact Sphere that doesn’t exist in the Chapter.
3. Then focus on building each Contact Sphere equally. Use stack days or theme days discussed in the “Encourage Members to Invite Visitors” course to build out each Contact Sphere. The goal is to get at least eight Members into each of the major Contact Spheres.
4. As the Chapter grows, consider adding Contact Spheres not represented on this list as they are identified by Members.

Implementing the Attendance Policy

Attendance is one of the most critical aspects of BNI®. If a Member is not in attendance at your meeting, how can they learn what it is you need to build your business? And how will you be able to help them build their business if they are not there to educate and train you? Experience has shown that the more successful Chapters have very good attendance and the less successful Chapters have poor attendance. The BNI attendance policy is:

BNI General Policy #5: “A Member is allowed three absences within a continuous six-month period. If a Member cannot attend, they may send a substitute who brings value to the Members; this will not count as an absence.”

When a Member misses a meeting, an automated (check this is active in region if not manual) email is sent (based on PALMS submission) as a courtesy. In addition, when a Member loses an absence over time, a congratulatory email is sent. A Member may be terminated by letter after their fourth absence within any six-month period. If you do not follow this policy, it will weaken your Chapter! Always notify your BNI Director/Director Consultant when it becomes necessary to open a Member’s classification.

To build the community through the attendance policy, it is recommended the Community Building Specialists make a phone call after the second and third absence and before the fourth absence in which the Member’s seat is opened. Each call should include: “We missed you today! Is everything okay? What can we do to help? We value your participation in the Chapter!”

Substitutes

Remind the Members a substitute is a great solution to staying within the attendance policy. Potential substitutes include customers, friends, family and/or employees. Help the Member identify one or two substitutes he/she can use in the event he/she must meet again. Keep in mind the absences are for the last-minute situation. Substitutes are for planned absences. It is a best practice to alert the Chapter of a substitute so that the Visitor Host can be there to greet him/her.

Late/Leaving Early

To build meaningful relationships, reliability is very important and is supported by policy #3, “Members must arrive on time and stay for the entire published meeting time.” The Membership Committee tracks and coaches Members who are consistently late and/or leave early. Use the Absence Report from BNI Connect® each week for reviewing attendance and timekeeping records and do any necessary

coaching with Members needing additional support. Waiting until the monthly Chapter Success Meeting to act may lead to a missed opportunity to retain a Member.

Certificate of Credit

If a Member is unable to continue attending their Chapter meetings for an extended period of time, a credit will be issued by the local BNI Director/Director Consultant. The credit is for the unused portion of a Member's membership, providing that Member is leaving the Chapter in good standing, e.g. he/she has not been asked to leave the Chapter for breach of any of BNI's policies, such as attendance, etc.

The Certificate of Credit is held in BNI Connect® and a physical certificate will not be issued.

In the event that a Member cannot get back into their original Chapter because their former position is no longer available in that Chapter, the credit will be accepted as payment to join any other Chapter where there is an opening and the Membership Committee has accepted the Membership Application. It is not necessary to pay another registration fee when joining a Chapter this way. Credit can also be issued if a Member is relocating his/her business. Please note that a credit will never be issued to facilitate a transfer to a nearby Chapter.

When you receive a request for a Certificate of Credit, please contact your Director/Director Consultant to walk you through the process.

Medical Leave of Absence

Legitimate personal medical leaves are allowed by BNI General Policy #9. If medical leave applies, use M on the PALMS Report to indicate that a Member is on an approved Medical Leave of Absence. Medical Leaves can be used for personal health and family members if the Member is the primary caregiver. The BNI Leave of Absence Policy states:

BNI General Policy #9: "There are no leaves of absence except for medical leaves."

No two medical situations are alike. The Membership Committee should collaborate with the Member and decide what is best for the Chapter and the Member needing a medical leave. Questions that should be asked when a person needs a leave:

1. **How long do you need to be away?** A Member may take up to eight weeks medical leave with the Membership Committee's prior approval if their participation fees are pre-paid for the period of time. The Vice President mark him/her "M" in the PALMS report weekly.
2. **If it is over eight weeks, ask, are you keeping your business open?** If the answer is no, the best option for the Member and the Chapter is to issue a Certificate of Credit for the unused time. Let the Member know you really want them back in the Chapter when the time is right. Offer to call him/her if someone in his/her BNI® Classification visits and is interested in joining. The Member can always come back and apply if he/she is well enough to do so.
3. **If the Member is keeping his/her business open, who is going to be running your business?** Maybe that person can assume the role of BNI Member in the current Member's absence. Fees cannot be transferred from one person to another unless the fees are from the same company.

Compassion should be used in any medical situation impacting Members. It is not completely black and white. Membership Committee should consider how important the BNI® Classification is in the Chapter. If it is a dog walker, the BNI® Classification will likely not be filled. If it is a real estate agent, having it open may negatively impact too many members. Work to find a win-win situation.

When you receive a request for a request for Medical Leave, please contact your Director/Director Consultant to walk you through the process.

Member Relations Specialist

The Membership Committee Member Relations Specialist handles any constructive facilitation between Members as needed and identifies any leading indicators that might cause concern

Checklist of Responsibilities

To be on the Leadership Team, the Membership Committee Member Relations Specialist must agree to:

- ☐ Fulfill the responsibilities listed below;
- ☐ Sign the BNI Support Leadership Team Non-Disclosure, Non-Solicitation and Non-Compete Agreement;
- ☐ Complete Leadership Team Training (eLearning and Instructor Led Training).

As Needed

- ☐ Receives incoming concerns and complaints, verbal and written
- ☐ Contacts Vice President and Director/Director Consultant as soon as a written complaint is submitted
- ☐ Helps make arrangements to follow the process when a written complaint is in process using [Member Complaint Processing Checklist](#)
- ☐ Helps coach or arranges for a mentor or other Membership Committee Member to coach Members as needed using the [GROW Coaching Model](#)
- ☐ Brings Member Complaint Processing Checklist to monthly [Chapter Success Meeting](#), when a complaint is in process

BNI® Classification Concerns

Members agree to only represent the one BNI® Classification approved by the Membership Committee. BNI Policy #1 states, “Only one person from each BNI classification can join a chapter of BNI®. Each Member can only hold one classification in a BNI® Chapter.”

One of the most common concerns that can often lead to a complaint is BNI Classification creep. BNI Classification creep usually starts with a simple mention of another classification in the Weekly Presentation and can lead to a Member being resented by other Members or trying to block a Visitor from joining because they claim ownership of multiple classifications.

Members of BNI® who represent multi-level marketing organisations should represent their products and services in BNI® and not the business opportunity element of their business. This keeps them from overlapping with people in the employment BNI® Classifications.

Evaluating Member Complaints

Please keep in mind that a complaint doesn't exist until the Membership Committee has received knowledge of the problem through either first-hand experience or written documentation from other Chapter Members.

When the Membership Committee observes conflicts or receives written complaints about a Member's poor-quality referrals, poor attendance, policy violation or failure to uphold the Code of Ethics, the Membership Committee must take action. If the quality of a Member's service or professionalism is in serious question, the following steps are to be followed before opening the Member's classification. The

Membership Committee may, however, open a Member's classification without probation, if warranted, with Director/Director Consultant and Executive Director/Regional Director approval

Most complaints are the result of a miscommunication or misunderstanding. First, encourage the Member with the complaint to try to work it out with the other Member. Encourage a One-to-One to open the lines of communication, share their concerns and clear up the misunderstanding. If this does not clear up the misunderstanding, or the Member is unable or unwilling to work it out, the Membership Committee follows the complaint process:

1. Member submits complaint in writing to the Membership Committee. This must happen before the Membership Committee proceeds to the next step.
2. Vice President contacts the Director/Director Consultant for support PRIOR to proceeding.
3. Membership Committee interviews both parties involved
 - Each party is interviewed individually
 - Interview the person filing the complaint to find out missing information
 - Interview the Member at issue to allow them to give their version of the story
 - One or two Membership Committee members interview each party
 - Take notes and document the conversations (date, key points, Member's reactions)
 - Complaint letters are **not** shown to parties at issue, however key points may be shared
4. Full Membership Committee, including the Vice President, meets to discuss the interviews
 - Determine if there is a violation in a BNI Policy or Code of Ethics
 - Determine severity of the violation
5. Determine a Resolution
 - Decision is made by majority vote of a complete and fully trained Membership Committee. The goal is to seek consensus of a resolution that is in the best interest of the Chapter.
 - Contact involved Members to notify them of the outcome/resolution.

Dispute Resolution Options

Coaching

1. Ask, "How can we help you resolve this issue?" and get the parties involved in coming to a resolution.
2. If the concern at hand is a Chapter-wide topic, encourage the Education Coordinator to address it through a Networking Education Moment.
3. Encourage the Member's Mentor to have a One-to-One and work with them on a specific area.
4. Assign appropriate BNI University coursework for completion by Member.
5. If the concern at hand is a Chapter-wide topic, ask the Director/Director Consultant to conduct a Feature Presentation to address the issue.

Probation (See Progressive Coaching Program)

1. Only a majority vote is needed from the Membership Committee (including the Vice President) to pursue probation; however, attempt to seek consensus.

2. Confirmation from the Director/Director Consultant that the process was followed is required.
3. Length of probation time is determined by the Membership Committee.
4. Use the appropriate [BNI Accountability Letter](#)
 - Add Member's name, date, Code of Ethics or Policy violation reference, and length of probation
 - No other details are to be added
 - Email the letter with a read receipt if possible.
5. Ideally two Membership Committee members meet(s) with the challenged Member
 - Explain reasons for probation
 - Provide an example of the types of behaviors that could be considered a violation of probation and result in opening the classification to another qualified professional
 - Measurable courses of action that allow for accountability, such as retaking the Member Success Program or bringing a certain number of qualified referrals or visitors, are to be addressed in this conversation
 - Vice President documents this conversation for Chapter records
6. If, at the end of the probation, the problem has not been rectified, the Membership Committee must meet to consider opening the classification. Always involve and get approval from your Director/Director Consultant that the process was followed PRIOR to opening a Member's classification.

Open Classification

1. The Membership Committee may open the Member's classification without probation, if warranted. Always involve and get approval from your Director/Director Consultant that the process was followed PRIOR to opening a Member's classification.
2. If the Membership Committee determines that the challenged Member is too toxic for the Chapter or the challenged Member has lost credibility and referability to have further success in the Chapter, they may open the Member's classification to a more qualified reliable professional, with Director/Director Consultant and Executive Director approval.
3. Use appropriate BNI Accountability Letter
 - Add Member's name, date, and Code of Ethics or Policy violation reference
 - No other details are to be added
 - Email the letter with a read receipt if possible.
4. One Membership Committee Member calls challenged Member to notify him/her and briefly explain the decision.

In the event a dispute arises involving a Membership Committee member, the Member will be removed from his/her duties during the dispute processing and the vacancy filled as described earlier in this Membership Committee section. The Vice President may call on other Members as deemed necessary. For instance, in the case of a dispute investigation, it may be necessary to have both men and women involved to keep the process gender neutral.

Member Complaint Processing Checklist

Use the following guideline in processing a Member's complaint, in the order each item appears below. Initial and date each item as they are completed. Once complete, submit a copy to the BNI Regional Office.

1. Make Sure the Complaint Is:

- ☐ In Writing
- ☐ Based on Firsthand Experience
- ☐ From a BNI Member (this Chapter or any other)

2. Contact your Director prior to proceeding with the complaint process.

3. Assign a Fully Trained Membership Committee

4. Vice President Assigns Two Membership Committee Members to Interview:

- ☐ The party who filed the complaint
- ☐ The party against who the complaint is filed (

5. Meet to Discuss the Findings

The full Membership Committee meets to discuss the findings. Was there a violation of the BNI Policies or BNI Code of Ethics? Determine the appropriate course of action toward a resolution.

- ☐ Coaching
- ☐ Probation
- ☐ Open Classification

6. Issue the Appropriate BNI Accountability Letter

Create the appropriate BNI Accountability Letter; Have Director/Director Consultant approve prior to mailing via certified mail

7. Notify Both Parties of the Decisions

Accountability Letters

- Accountability Letters can be downloaded in Word Form documents from BNI® University.
- These letters must be sent out fairly and consistently to all Members, without exceptions.
- Do not alter the BNI Accountability Letters. They have been approved by BNI Legal.
- Date the letter; use the date in which it will be emailed.
Always sign the letters from "The Membership Committee"; never use an individual name.
- Always get your Director/Director Consultant's approval prior to sending an Open Classification or Probation letter.
- In all cases, these letters should be emailed to your Director/Director Consultant and the BNI Regional Office at the time it is mailed to the applicant/Member.

Timing Is Everything!

When a Member misses a meeting, an automated email is sent (based on PALMS submission) as a courtesy. In addition, when a Member loses an absence over time, a congratulatory email is sent. It is imperative the Vice President submits the PALMS report within 48 hours (or fewer) from the conclusion of each weekly meeting.

1. Check for the following:
 - Check the report monthly against who is attending your meetings as a Member. Is anyone missing?
 - Check the late list to see who still needs to submit their online Membership Renewal Application with the automatic late fee.
 - Check to see who shows as dropped from the Chapter. If this is accurate, no action is necessary. If not accurate, collect renewal dues immediately and forward to the BNI Regional Office. Please note: Members who are more than 31 days late must submit full registration fees and application fees to re-instate their membership.
2. Drop any Members who are no longer with the Chapter.

3. Communicate with the BNI Regional Office that your roster is up to date

Term + Months

The officer due dates indicate Term + X months. This means that the President, Vice President and Secretary/Treasurer's dues have been "suspended" until after the leadership term is complete and they have fulfill the responsibilities of your respective position. Then your membership will be due again after X months following the end of your leadership term.

Use this report to announce upcoming dues to your Chapter membership on a weekly basis.

Speaker Rotation Schedule

The Feature Presentation is a benefit of membership that is very important in the relationship-building process with the BNI Chapter. According to Policy #8: Only BNI Members or BNI Directors/Director Consultants can do Feature Presentations during the BNI Meetings. It is critical each Member has access to this membership privilege. New Members must also have access to deliver their Feature Presentation but must complete Member Success Program before being added to the rotation. Policy #12 states: All new Members must complete the Member Success Program before giving their first Feature Presentation.

Tips for Creating the Speaker Rotation Schedule

1. When creating the speaker rotation, use the Chapter Roster Report on BNI Connect®. The roster is in alphabetical order, which can become the order of the speaker rotation.
2. Once you have a first draft, you may ask Members with cyclical businesses if they would like to speak during a certain part of the year (i.e. landscaper in August to get ready for spring planting or a florist just before Valentine's Day).
3. Enter your final draft into BNI Connect® by going to Operations >> Meeting Management >> View/Edit Speakers. By entering your upcoming Featured Speakers here, Members automatically receive an email reminding them of their presentation date. It also reminds them to complete their Member Biography Sheet online.
4. Additionally, by entering your speakers online in BNI Connect®, your Chapter's web page will display your upcoming speakers and their respective topics.
5. Be sure to include your Director/Director Consultant's speaking schedule, if provided to you in advance.
6. Enter eight weeks and leave two weeks open. These slots will be for new Members completing the Member Success Program and your BNI Director/Director Consultant. When you have an opening six weeks out, you can insert someone in from another part of the list.

Bank Accounts for Non-BNI®-Related Activities

The BNI Weekly Chapter Meeting Agenda contains all of the elements needed to conduct a BNI Chapter meeting. Additionally, there are other aspects of operating a BNI Chapter (Membership Extravaganza, for example) that are also BNI®-related activities. Meetings of the Membership Committee are BNI®-related activities as well.

Chapters meet at various times of the day, sometimes convenient to the eating of a meal. Chapters may meet in facilities that have a rental fee or other charge. From time to time, Chapters may wish to buy flowers for a sick or grieving Member or make a contribution to a local or other charity in the name of the Chapter. These, however, are not BNI®-related activities; they are not required for the conduct of

BNI Meetings or ongoing Chapter activities, are not coordinated by a Director/Director Consultant and are solely at the discretion of the individual Members.

Some Chapters have decided that, for the convenience of the Members, it is useful to have a non-BNI®-related activities bank account to handle these non-BNI®-related activities. This may be used to aggregate payments for meals, make gifts to Members and others, have holiday parties for the Chapter, etc. Since these are not official or required BNI®-related activities, this is at the sole discretion of the Members of the Chapter, and they take sole responsibility for the operation of the bank account.

If you choose to have an account for such purposes, we highly recommend never accumulating more than your current needs or at most two months' worth of aggregation of expenses to be paid for non-BNI®-related activities.

Over the years, BNI Global LLC has been asked to provide information on best practices for opening and operating such accounts. While we provide such information, please bear in mind that having a bank account for non-BNI® related activities of the Chapter is completely voluntary. It does not mean that you have formed a separate business entity. Again, we emphasise that you should only collect enough money to meet the cash outlay needs of your non-BNI®-related activities for a maximum of a month or two in advance.

Opening Non-BNI®-Related Activities Bank Accounts

Note: Neither BNI Global LLC nor the BNI Franchisee will be liable for non-BNI®-related activity bank accounts. All BNI® participation fees are to be sent to the BNI Regional Office to process. BNI® does not authorise Chapters to process participation fees through these or any other accounts.

To the extent a Chapter wishes to have a non-BNI®-related activity bank account, the following example is a sample of how this may be accomplished. Accounts should be opened by a minimum of two Members who will be signatories on the account. These Members do not necessarily have to be Leadership Team Members. Remember, Secretary/Treasurers do not deposit membership and application payments; these are sent to the BNI Regional Office for further processing.

There should be two signatures required on cheques for added protection. Whenever one of the signatories is no longer responsible for the account, a replacement should be selected by the Members.

Remember; when opening the account, you are not opening it for a new business entity but rather opening a bank account for the convenience of a meeting group. Not being a separate entity in business sense, nor collecting GST, no ABN is to be used in opening this account. Examples of accounts that would cover what you need would be what a bank would set up to be suited to Community Groups or Local Sports teams.

Open a Non-Interest-Bearing Cheque Account

1. If you choose to open a Chapter cheque account, it must be a non-interest-bearing bank account. (Interest bearing accounts would require tax filings by the Chapter.) Banking fees, if applicable, are paid by the Chapter.
2. The name of your organisation is the Chapter name (not Business Network Int'l or BNI); for example, The Emerald Valley Professionals Chapter or The Progressive Connections Chapter. In this case, BNI® should NOT be part of the checking account name. This prevents confusion at the bank in the event that the same bank holds accounts for several different Chapters.
3. Two signatures to sign cheques are strongly recommended, typically the President and Secretary/Treasurer. When the Leadership Team changes the signatures change on the account.

4. Contact your bank to inquire about the bank's process of changing signatories.
 - They may simply allow the account to be transferred between people, or
 - They may prefer that the current account be closed, and a new account opened with the new signatories.
5. It is recommended that bank statements are reconciled and audited before transferring to a new incoming Secretary/Treasurer. It is recommended that the bank balances be kept at a minimum.
6. Chapter's should purchase carbon copy receipt books and provide a receipt for each payment accepted.

Visitor Hosts

Visitor Hosts make a positive first impression on the visitors and substitutes of the Chapter by greeting them with a friendly face, introducing them to Members and giving a brief overview of what to expect during the meeting and conduct an orientation for all visitors after the meeting; record visitors and substitutes in BNI Connect®; follow up with the visitors after the meeting.

Definitions

Visitor

A visitor is a business professional who would benefit from an increase in referrals and would benefit from belonging to and participating in a BNI Chapter. This person is seeking information about BNI® and your Chapter to make a decision in whether BNI® is a good fit for them and their business. If the fit is right and the person is impressed with and sees value in belonging to your Chapter, they may apply for membership.

***Please enter them as visitors into BNI Connect® to enable the automatic email campaign from BNI Global.

Guest

A guest is a person visiting the Chapter meeting who is not a viable candidate to become a Member. Examples of guests are:

- A person who works full-time for a company that does not rely on referrals, sales or commissions for their job

- A person who is retired and intends to remain retired
- A person who is not employed and/or does not want to be employed
- A family member of a BNI Member who is visiting town and has no intentions of becoming a Member
- A person who lives out of the area and is not moving to the area
- A person who is already a Member of another BNI Chapter or a new forming Chapter

While guests can be a great source of referrals and business to the Members, they will not become Members of your Chapter. They should be warmly welcomed by the Visitor Host Team. All Members should make a point of getting to know all visitors and guests.

***Please do not enter these guests into BNI Connect® as visitors. Only add a 1 in the PALMS report.

Substitute

A substitute is a person who is attending with the purpose of substituting for a specific Member. This person could be a visitor or a guest. The goal is to have all substitutes be visitors and not guests.

***If the substitute qualifies as a visitor, please enter them into BNI Connect®.

Visiting BNI Members (not Substituting)

Members visiting other Chapters should announce that they are from another Chapter. Visiting Members must not do or say anything that competes with a Member's BNI® Classification in the Chapter. Visiting Members should pay venue fees.

Before visiting another Chapter, the visiting Member should register to attend through the BNI Connect® Mobile App to let the Leadership Team know he/she is coming. Visiting Members follow the same visiting policies as non-members; no more than two visits allowed.

Visitor Orientation

The Visitor Orientation process includes recognition of the visitors prior to the end of the meeting and escorting them to another room to formally invite them to submit an application. By formally conducting a Visitor Orientation, Chapters have seen an increase in converting visitors to Members. The visitors now have all their questions answered and they fully know the process of applying for membership. This process is not high pressure, rather an educational tool to get the visitors the information they need to add 45+ people to their referral network!

Use the [following infographic](#) to talk with the Visitor about BNI benefits. Just walk through each section of the infographic.

Congratulations

You are invited to apply for membership.

Visitor Host—Follow-Up Specialist

After each meeting, the Visitor Host—Follow-Up Specialist follows up with each Visitor. This needs to be within 1-2 business days of your meeting to have an impact.

1. Contact the Visitor Host—Orientation Facilitator, if possible, to get feedback regarding the respective behavioral style of each first-time, qualified visitor or substitute: Fast Decision Maker or Reserved Decision Maker.
2. Before leaving the meeting, the Visitor Host—Follow-Up Specialist uses the second set of business cards gathered at the Welcome Table to write and address a Thank You Card to all first-time, qualified visitors and substitutes, thanking them for attending the meeting. Or, consider using your Chapter's Send Out Cards representative to accomplish this important business building communication.
3. Immediately after the meeting, the Visitor Host—Follow-Up Specialist uses the second set of business cards to enter the Visitor contact information into BNI Connect® (Operations >> Chapter >> Manage Visitors >> Add Visitor). Immediately upon entering a visitor's contact information, an automatic email is sent to the first-time, qualified visitor or substitute thanking them for attending your meeting that day.
4. Enter the contact information for all first-time, qualified visitors and substitutes who are possible Members for your Chapter.
 - Do NOT enter Members of other BNI Chapters.
 - Do NOT enter second-time visitors, guests or substitutes.
 - Do NOT enter guests who are not eligible for membership in your Chapter (i.e. guests who are unemployed, visiting relatives, or guests who live out-of-state).
5. The Visitor Host—Follow-Up Specialist then personally calls all qualified Visitors no later than two business days after their visit to thank them for coming (and invite them back if they didn't apply for membership). During the follow-up phone call, consider scheduling a One-to-One with each visitor; this is a great way to make a personal connection with the visitor and provides excellent business exposure for the Visitor Host—Follow-Up Specialist!
 - During this follow-up phone call, ask:
 - What were your impressions of our meeting this week?
 - Do you believe it will be a productive use of your marketing time?
 - Did you get a chance to fill out a Membership Application, or do you need one mailed to you?
 - Remind them that we meet at the same time and place and you look forward to seeing them next week.

Education Coordinator

The Education Coordinator prepares a two to three-minute Networking Education Moment dedicated to reminding Members about BNI® Policies, goals, successes, etc.; and works closely with the President and other leaders to address in a timely fashion issues specific to the Chapter (i.e. inviting more visitors or the attendance policy).

AS NEEDED

The Process

Education Moment Sample Outline

I. Relate it to business first

Provide an example or a story to help illustrate what you're talking about. Example: "As business professionals we often set appointments. But what happens if you don't show up, are late or have to leave early? Does it make a difference to the client? Of course, we all know life happens, so we'll often forgive someone. But what if it became a habit? What if you had a business professional you were trying to meet with who consistently arrived late without calling or simply didn't show up? Would it impact your relationship with that person?"

II. Let the audience know WHY this topic is important

Example: "In a way, it's a promise we make to another person to be somewhere on a particular day at a particular time, right? That other person has set aside the time to meet with us and is probably looking forward to learning more about you. When you arrive when you said you would, what are you building? Trust. What does trust build? The relationship. What does a professional relationship build? Business."

III. Relate the topic to BNI®

Example: "In BNI®, our goal is to build quality professional relationships that make it easy to pass referrals. Open Networking is a great time to get a question answered, set up a One-to-One, or find out one more thing that you can do to help generate a referral to someone. During the meeting, we get the opportunity to train one another about our businesses through the Weekly Presentations as well as the Feature Presentations. If we're not here for these important pieces, it becomes more difficult to build the trust we need that leads to business."

IV. Provide additional resources (if applicable) / Wrap Up

"If you have questions about BNI's attendance policy, or need help finding a substitute, please contact someone on the Membership Committee (list Membership Committee Members' names, including the Vice President). They'll be happy to support you in any way they can. Thank you."

Additionally, you can contact your BNI Regional Office for Networking Education Moment ideas.

Mentor Coordinator Checklist of Responsibilities

Training Member Mentors

Once the Mentor Coordinator and the Membership Committee have identified Member Mentor candidates it is important for them to be trained. This can be done using [The Passport to Success for Member Mentors eLearning](#) on BNI University. Mentor Coordinators can assign and track the training completion by clicking the assign button and enter the names of the Member Mentors.

BNI Passport Instructions

Once a new Member is inducted into the Chapter the Mentor Coordinator's job begins. Every new Member will be given a Passport to Success and instructed that they are to meet with the Mentor Coordinator immediately following the meeting to conduct the New Member Orientation.

Mentor Coordinator Welcomes New Members

Once a new Member is inducted into the Chapter, the Mentor Coordinator will meet with the new Member right after the meeting to review the Passport to Success. The Mentor Coordinator may need to set a time and location to meet with the new Member and explain the proper use of the Passport outside of the regular meeting.

The Mentor Coordinator will be the new Member's first One-to-One. Remind them to bring the Passport and you will assign the names of the Member Mentors they are to meet with as well as review the Passport and other programs available.

Things to Cover in the First Meeting

- Review the Passport – Complete the Welcome Page
- Review How to Use Your Passport
- Discuss the importance of the BNI Core Values & BNI Code of Ethics
- Review My BNI Checklist
 - Once you have reviewed the Passport, it is now time to move to the next step.

Assign the Names of the Member Mentors

This is the most important part of the Passport to Success. When new Members are engaged with seasoned Members, retention increases. This is the start of the engagement process so that the Chapter and the new Member both win. New Members will learn best when they are supported and helped by current positive seasoned Members.

Note: Avoid assigning one person to multiple roles. The goal is to get as many current Members to interact with new Members as possible. Engagement and relationship development are keys to renewing Members. The more people that new Members can interact with on a One-to-One basis, the more likely they will experience success and, therefore, renew their membership!

Instructions for Using the Passport

- Assign the name of each Member Mentor using the Member Mentor Worksheet. Have the new Member write the names in the Passport or hand him/her a copy of the worksheet.
- Briefly explain to the new Member what each person will cover as outlined in the Member Mentors and Topics section.

- Explain the process for scheduling a One-to-One with each Member Mentor. The Member Mentor should be expecting the new Member to request a One-to-One. The Member Mentors should also be prepared to reach out to the new Member to schedule a One-to-One.
- Explain the process if they are having trouble getting a return call or appointment. The Mentor Coordinator will help the new Member set them up during Open Networking or just after the meeting each week.
- Remind them the expectation is only one One-to-One meeting per week though they are encouraged to do as many One-to-Ones as possible. The fastest way to trust (and ultimately receive referrals) is through effective One-to-Ones, though they are not expected to complete the Passport quickly.
- The order in which they conduct their One-to-Ones is not important.
- Explain that you will be checking in with them weekly to help them get the Passport to Success completed.
- Remind them they will be doing One-to-Ones with the Chapter's Ambassador or Director/Director Consultant.
- It is the Mentor Coordinator's responsibility to ensure that the new Member understands the importance of completing their Passport over the next 8 to 10 weeks.
- Answer all of their questions and give them your contact information should they have questions later.

Check-In and Follow-Up

Every two weeks, check-in with the new Member to make sure they are on track to complete their Passport. Look at the new Member's Passport to Success:

- Check for signatures from Member Mentors – Are they on target to get this completed within the first 12 weeks?
- Review the My BNI Checklist – Are they on target to get this completed within the first 12 weeks?
- Check for signature from the Ambassador or Director/Director Consultant – Have they been introduced to their Chapter Ambassador or Director/Director Consultant? Have they had their first One-to-One with the Ambassador or Director/Director Consultant?

Ask if they need help and remind them, they can always call you if they are having challenges.
